What impressed you the most during the time spent at the EFRI International

Business Workshops BIP?

1. The amazing people I met.
2. The visit to Infobip.
3. Everything!
4. The diversity of the lectures.
5. The amazing networking opportunities and the chance to collaborate with outstanding international peers.
6. The people.
7. The student-friendly timetable.
8. The knowledge I gained during the lectures.
9. The overall organisation.
10. Meeting people from different cultural backgrounds, the diverse programme, the company visits, and Aleksandar's lectures.

11. Some of the lectures and the openness of the staff.
12. The whole programme was amazing.
13. The visit to the Hilton Hotel and the practical workshop. It was really interesting to have this kind of experience and try to achieve the best negotiation outcome for your company.
14. The opportunity to meet people from all over the world.
15. The organisation.
16. I was most impressed by the professors who combined the theoretical part of their presentations with practical examples, making the content easier to understand, remember, and more interesting to learn.
17. The organisation—it was so well thought out.
18. Our professors and lecturers.
19. I really enjoyed listening to the lecturers, as they shared practical insights and experiences that went beyond what we usually learn in class.
20. The insights shared by experts and professionals in their fields.
21. How much I learned in such a short time.
22. All the new people I got to meet and get to know.
23. The presentation by the representative from Infobip—it was a pleasure to listen to him.
24. The IBW Organising Team.
25. The multicultural environment, the visit to Infobip, and the workshops.
26. The visit to the Hilton Hotel was amazing. Also, everyone—the professors and company representatives—was so kind and contributed to making the programme enjoyable, together with the other students.
27. Everyone's willingness to help and answer questions in the best way possible, as well as the professors' open-minded attitude.
28. The lectures.
29. The high level of professionalism and preparation, as well as the interesting lectures delivered by professors and business professionals from different countries.
30. Great communication between the EFRI team and the participants, as well as plenty of free time.
31. The organisation was amazing. It was the first time I always knew where and when to go. Huge thanks to Antonela for keeping us informed throughout the programme.

The overall experience was incredible. I felt very welcome and was able to enjoy every part of the experience. Thank you so much!
